Payment
Step by Step Process

For your privacy and for our safety practices, we ask that you make your credit or debit card payment online at our website:

www.Beyond-Borders.net

Begin by choosing the “FEES” tab. In the drop-down menu click on the “Payment” option.

Scroll down the page to the first outlined box titled “Mediation Fees”

1) Selecting the Payment Amount
   * Please note
   If you have already been pre-approved for Reduced Rates by the Courts, you must change the dollar amount in the drop-down menu to reflect the correct amount.
   The payment is default to $150. (This is the approved fee rate by the Office of Dispute Resolution (ODR) for a min. 2-hour mediation.)
   You must make this change BEFORE you advance to the next page.

2) Requested Information:

   Please enter the case information as requested:
   • Mediation Date and Time:
   • Name & Case #:  
     *Please Note:* In order that we can account your payment to that person, the name of the party attending mediation must be entered.

   • Click on “Pay Now”
   You will advance to a new page.

Payment Process:

On this page you have the option to either pay directly with a personal PayPal Account or, if paying with credit card and debit card not linked to PayPal, please click the option “Pay with Debit or Credit Card”.

www.Beyond-Borders.net is a safe website with secure connection as identified by the "closed lock" shown on the address bar next to the name:

Bilingual and Multicultural Mediación X

https://www.beyond-borders.net

* Notes: If you are paying on behalf of another person, write the Case # and the Party’s Name.
Reduced Fees are granted by the State or County to approved applicants only.
3) Entering Information:

Finally, you will be prompted to the final screen where you will enter your personal Information such as card number, expiration and security code, as well as billing address, phone # and email address, (where you would like the receipt of this payment sent).

**If Declined**

If your credit card or, debit card is declined:

1) Re-check the card number expiration and code security code for accuracy.
2) Confirm that the billing address is the one associated with the account, (it may be a previous billing address).
3) If using a Pre-Paid Card, be sure you have enough money loaded to the card to cover the fees, including any processing fees that apply for your PP card.

As members of Beyond Borders Mediation, we want to thank you in advance for your consideration in keeping your information private and secure.

Kind regards,

Rogelio Hernandez-Flores
